REVENUE DEPT

TO

His Excellency the Governor in Council,

Fort Saint George,

MADRAS.

GOVERNMENT OF MADRAS REVENUE DEPARTMENT 5 FEB 97
CHIEF SECRETARY GOVERNMENT OF MADRAS 4 FEB. 1897

The humble memorial of the undersigned inhabitants and Ryots of Pedalanka, Kondangi and Mattagunta villages of Gudivada Taluq, Kistna District.

MAY IT PLEASE YOUR EXCELLENCY:—

1. We have been residents of the villages from the time they came into existence and have rendered gratuitous services at the time our lands were surveyed, with the hope that we would eventually have the possession of them as residents of the villages.

2. We hold on *pattas* all land that is fit for dry cultivation; the remaining land that cannot yield anything without water supply is cultivated wet, in years of good rainfall and relinquished when rain was deficient.

3. All the waste lands of our villages are assessed lands at the time of settlement. Some of them are cultivated wet partly with the help of rain water and partly with the help of water raised by *picottahs* from the Kaldindi Codu.

4. Channels are now provided for irrigating all these lands. In fasli 1305, we cultivated some lands wet but the crops were entirely lost on account of submergence by the Collair floods; and this fasli too, though some lands are cultivated wet, yet, owing to the scanty supply of water, the crops failed. Thus, we sustain loss for two consecutive years. This can be verified from the village accounts.

5. As the extent of the lands is large and as the Collector considered that they would fetch a decent sum, if sold in auction, they were put in auction recently.

6. The bidders who knew the nature and situation of the lands of the 3 villages did not come forward for bidding but those lands only which are favourably situated in regard to water, supply could be auctioned. This is due to the lands being at the tail end of the channel and swampy.

7. About 7000 acres of these lands of our villages have already been cultivated wet by us and we therefore most humbly beg your Excellency to order the lands to be given to us on *darkhast*, in which case alone the Government will be benefited by an immediate profit in the shape of water tax.

For which act of kindness and justice, we, as in duty bound, shall ever pray.

We beg to remain,
Your Excellency's most obedient
and humble servants,

30th January, 1897.
