of the establishment and its subsequent continuance till the 31st January 1889 were passed in the Public Works Department as the cost of the establishment was then being charged to the delta estimates. But since the ~~time~~^{date} of the ruling of the Govt of India, communicated in G.O. No. 853 Financial d. 19.11.88 such expenditure is debitable to 3A. Land Rev (like the Collector's establishment) and all subsequent orders sanctioning the further retention of the establishment, have accordingly issued in the Revenue Department.

3. In the last of the Revenue Dept orders quoted above, sanction was accorded for the retention of the establishment till the 31st Jan'y 1889, so that it has been kept on

now for nearly four months beyond the sanctioned date. In asking for the retention of the establishment for another year the Head Quarter Deputy Collector states:—

"Unless the special establishment is retained for another year, I am afraid the ordinary revenue establishment which has other multifarious duties of equal importance cannot go through this work satisfactorily."

"I did my ~~best~~ utmost to get the ordinary establishment to do this work, but what was done by it was neither decent nor satisfactory."

"I trust that there will be no great need for this additional establishment next year after all these

old cases are disposed of?

4. If it is thought that no case has been made out for the retention of the establishment till the 31st January next, its retention till the 30th September ~~next~~ maybe sanctioned and the collector asked to report the ^{quantity of} work turned out by the establishment in each year, since its entertainment, and why what remains cannot be attended to by the ordinary permanent establishment.

5. In its Proceedings under C.N. 4099/97 since received, the Board of Revenue, at the instance of the Collector, asks for early orders on the subject.

G.O. No. 2875 of 7th June 97.

The Govt does not consider that there are sufficient grounds for the retention of the establishment for a further period of ^{one} full year as recommended by the Board of Revenue in para 1 of its Pro. ^{8.9.61/13.3.97} and accordingly resolves to sanction its retention only till the 30th September next. In the meanwhile, the collector should report the quantity of work turned out by the establishment in each year since its first entertainment in 1886 and why what remains cannot be attended to by the ordinary permanent establishment.
