READ... the following letter from the collector
of Ganjam dated 22nd May 1897 R.C.
No. 1077
Jr

In enclosing herewith copy of
letter No. 60C dated 19th instant with
enclosure from the Executive Engineer,
I have the honor to state that I
have, subject to the Board's
sanction and with the object of
securing suitable candidates,
authorised the entertainment
of Maistries on a pay of Rs 15.

2. In a backward District
like Ganjam it is almost impossible

to procure a suitable man for out-door work of this nature, who is possessed of the necessary educational qualification for the post. A similar difficulty is experienced in regard to sub-maistries and Head coolies. In the latter post it is necessary to appoint a number of small boys fresh from school, as no one else is able to keep the muster.

3. Appendix VI relates only to works in charge of local Head or Revenue officers but not to work supervised by the Public Works Department. I request therefore that sanction to raising the pay of a maistry to Rs 20 may be accorded.

4. I may note that the Public Works Department is very short handed at present in this District

District in the matter of subordinates. I am much handicapped in being unable to start works in Sonpet, and until such works are started the numbers on gratuitous relief must continue to increase.

dated 13th April 1897 No 1978
Rev

Resolution.

The Collector of Gangjam reports that he has sanctioned the entertainment of Maistries on Rs 15 a month, but that he cannot find men for this pay, and requests permission to raise the pay to Rs 20. The Collector does not state whether he refers to Sub or head-maistries; it is presumed he is talking of the latter. The Code allows such officers 8 annas

a day, but under the peculiar
circumstances of Gaujam, the
Collector's proposal is approved.

2. With reference to para
3 of the Collector's letter, he is
referred to section 115 of
the Famine Code, ^{from} which
he will see that appendix
VI refers to works under
Public Works Department
supervision also.

3. As the proposal involves
increased expenditure, the
resolution will be submitted
for the information of Govern-
ment.

Dated 18th May 1897.

Sir, I have the honour to inform you
that appendix VI of the Famine Code
allows a head maistry on Rs 15-0-0 for
every 1600 coolies. The famine Code fixes
no rate of pay for either maistry, sub-
maistry or head cooly.

As a head maistry must know something
of English in order to fill his return
and have a little professional knowledge,
I have the honour to request that
sanction might be obtained to raise
the pay of a head maistry to Rs 20 per
mensem

mensem.

Men of the class required cannot be obtained here for Rs 15 per mensem.

Sir,

In forwarding copy of No $\frac{228}{F}$ from the Berhampore subdivision officer, I have the honour to request that you will accord your sanction to his proposal, at all events, in anticipation of sanction.

As you are aware, it is very difficult to obtain the services of subordinates of any kind, and I doubt whether an increase of pay will have much effect

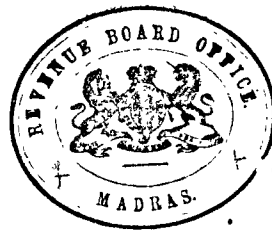

effect, but there can be no harm
in trying.
