FURTHER PAPERS.

G.O.	No.	Department.	Date.

The papers state as follows:-

During the late & the present famines the papers presented many petitions to the Tahsildars & the higher authorities praying for the execution of repairs to the channels in their village. They have also petitioned the P.W. Dept in the matter. The papers and their cattle suffer from want of a channel and nothing has as yet been done by the authorities in this regard to the papers' request. The lower authorities ~~have~~ who care for their own interests have been the cause of the great delay that has already been caused in complying with the papers' request and there will be no use in referring the matter to them. The papers enclose the orders issued to them by the Col. & pray that early orders may issue for the execution of repairs to the channels in question..
