ENCLOSURE.

Endorsement by W. MICHAEL, Esq., Deputy Accountant-General, dated Fort St. George, 4th January 1897, No. 52-A.D.S., on the proposition statement forwarded with Board's Proceedings, No. 440, dated 2nd November 1896.

The entries in the column of "Present Scale" have been compared with the registers of this office, and are correct after taking into account the increase sanctioned for the Madura district in G.O., No. 782, Revenue, dated 2nd December 1895, the order passed by the Financial Department in connection with which has not been received in this office.

2. The increase is within the sanctioning powers of Government.

3. If the Board's proposal in paragraph 2 of its Proceedings annexed is approved, a general proposition statement will be necessary for the grading of the staff of Superintendents and Assistant Superintendents of Sea Customs with that of the Sub and Assistant Inspectors of the Salt Department, in submitting which the question as to the adjustment of the difference in the amounts of pay will be reported on.

4. The delay in the submission of this report is due to a copy of the Government Order quoted above having been received in this office only on the 19th ultimo.

RESOLUTION—No. 130, dated 31st March 1897.

Before submitting the general proposition statement called for in paragraph 2 of the Government Order read above, the Board begs to submit for sanction the following additional proposals:—

(1) That the pay of the Sea Customs Superintendent at Kallayi in the Malabar district be raised from Rs. 35 to Rs. 40, with a view to grading him as a fourth-grade Sub-Inspector; and

(2) That the pay of the Railway Customs clerk at Pondicherry, which was recently raised from Rs. 70 to Rs. 100, be raised to Rs. 150 so as to enable the Board to grade him as an Assistant Inspector on the average rate of pay. The statement of collections at the Pondicherry Railway Sayer station in 1892-93 and 1895-96, herewith submitted, shows that the revenue collected there has increased greatly since the new Tariff Act came into force and now amounts to nearly a quarter of a lakh. The work of this office does not admit of any effective check and the realization of the full revenue is entirely dependent on his honesty. Moreover, the cession referred to in paragraph 2 of G.O., Mis. No. 534, Revenue, dated 23rd July 1894, regarding goods passing from British territory through Pondicherry or Karikal to Calcutta or Rangoon and *vice versa* renders it indispensable that there should be a thoroughly reliable man on the spot. It is most desirable that the appointment should not be permanently held by any one individual but the present rate of pay not only renders it impossible to make a transfer occasionally but makes it highly probable that the person who holds the post will be of French extraction or in some way connected with the French Settlements in India. The Board sees no way of making occasional changes in the officer in charge except to grade him as Assistant Inspector.

2. With reference to the foregoing proposals, two proposition statements are submitted in duplicate for approval and sanction.
