Resolution:- The father of the boy, whose estate was committed to the care of the Court of Wards under G.O. No. 1189 Rev. 24-3-1896, has been declared by the District Court of Vizagapatam to be a lunatic and his estate has been entrusted to the care of the Collector under Section 11 of Act XXXV of 1858 (India).

2. The Board observes that the lunatic possesses some enfranchised man lands, paying a quit rent of Rs 4 to Government. This would suffice to bring the case under the jurisdiction of the Court of Wards under Section 9 of the Act. As, however, the Collector is declared to be subject to the Control of the Superior Revenue authorities in the management of estates entrusted to him under Section 11 of that Act, the Board considers it unnecessary to ask for a review of the District Judge's order or to file an appeal.

3. The Board approves of the Collector's nomination of a manager and of the proposal to entrust the lunatic to the care of Dr Leapingwell for the present.

4. The sanction of Government is requested for the payment of a remuneration of Rs 100 per mensem to Dr Leapingwell for 3 months, partly for the guardianship and partly for the treatment of the lunatic.

5. The further report promised by the Collector in regard to the future guardianship of the lunatic is awaited.

6. Separate orders have been passed regarding the grant of assistance from the funds of the Kasimkota Estate, referred to in para 2 of the Collector's letter of the 13th ultimo.

Read Cor. 4485 of 97
G.O. Memo. 2935 of 11th June 97
communicated
to the Board of Revenue
11/6/97.

Note
With reference to the extract from the Honble Mr. Bliss's note forwarded to this Dept. it is submitted that the Coll's telegram of the 26th March last. which, is to the effect that the lunatic owns enfranchised lands paying only four rupees quitrent ~~to Govt~~ and no estate paying revenue direct to Govt - was in reply to the Board's telegram of the 20th idem in which it enquired whether the case did not fall under Sec 9

c7/4/97

of the lunatics act
XXIV of 1858. What the
Board wanted to
know was whether
the lunatic possessed
any property charged
with the direct pay-
ment of rent or
revenue to Govt. so
that the Court of Wards
might take charge
of the person and
property under Sec 9
of that act and
the Coll's reply was
that the property paid
only 4 Rs quitrent to
Govt, i.e. ^{that} it was not
of a class in which
the Court of Wards
would ordinarily
interfere. On the
other hand, the
Coll. in his letter
of the 3rd July 1896 re-
ferred to the entire
property possessed
by the lunatic. Most
of this maybe Sarva
manjara isam or

I don't think this is
necessary JG

or held under some
Lemindar and
therefore not charged
with the payment
of rent or revenue
to Govt.

If it is thought
that the point
should be cleared
up, the following
para maybe added
to the draft:-

"2. It is observed
that while the
Coll's letter of the
3rd July last shows
that the lunatic
possesses lands of
the annual value
of Rs 3354, his telegram
of the 26th March
following, is to the
effect that the estate
consists of enfranchised
manus paying only
four rupees quitrent. The
discrepancy requires
explanation."
