PROCEEDINGS OF THE BOARD OF REVENUE
(REVENUE SETTLEMENT, LAND RECORDS AND AGRICULTURE).

READ—again the following Proceedings of the Board of Revenue (R.S., L.R. and Agri.), dated 1st April 1897, Mis. No. 2431:—

Read—the following petition from SHANMUGA VALLA KONDA BOMMU NAIK, Zamindar of Tevaram, Periyakulam taluk, Madura district, to His Excellency the Governor in Council, Fort St. George (through the Collector of Madura), dated 28th September 1896:—

MOST RESPECTFULLY SHOWETH,—1. That the petitioner applied to the Collector of Madura on the 27th March 1896 expressing his desire to have the survey made of his zamindari and asking for the supply of surveyors, instruments, &c.

2. That on the 22nd of April 1896, the Collector informed the petitioner that if the survey of his zamindari should be conducted under the supervision of Government officials, he should apply to the Survey officer in charge of No. V Division, Madras.

3. That on 3rd May 1896 the petitioner applied to the Survey officer above specified whose head-quarters is in Madura expressing his desire to have his estate duly surveyed and the boundary marks erected under his supervision in view to the security of the petitioner's estate and for the prevention of any encroachments thereon, and requesting him to give to petitioner certain particulars as to the probable expenditure for the staff and the work and as to the duration of the same. In this letter the petitioner also informed that officer of the small extent and annual income of his zamindari, and as to the staff the petitioner required for the work.

4. That on 12th May 1896 that officer called on the petitioner for information as to the area of wet and dry cultivation, culturable waste and poramboke waste in his zamindari, which information the petitioner has since given him.

5. That officer again asked the petitioner to be ready with stones, &c., necessary for the work and also informed the petitioner that he would start the work from the 1st of August 1896; and on the 13th of July the petitioner sent him a letter expressing his readiness to see the work started as proposed.

6. That in reply thereto the petitioner has received a letter, dated 29th July 1896, from the said officer (Assistant Superintendent, No. V Survey Division, in Madura) intimating that, under instructions from the Superintendent of Madras Survey, the petitioner should request your Excellency in Council through the Collector of Madura.

It is therefore prayed that your Excellency in Council may be pleased to give the necessary directions to the Superintendent of the Madras Survey and order the starting of the survey of the petitioner's zamindari at an early date in communication with the Collector of Madura.

For which act of justice, the petitioner will, in duty bound, ever pray.

Endorsement by J. TWIGG, Esq., Collector of Madura, dated 19th March 1897,
