Why was this mentioned?
Explain

12 May 91

I was not sure whether the book

is the same as that mentioned in item IV. page 6 of the enquiry in the Pub. Dept. shows that they have not been receiving the book till now.

are one of the same. Please see the list of the books in the library. The books are not in the library.

Note for the Head clerk.

The Board, Lett. Ditt.,
refers to Trade ^{by} ~~of~~ hand of
British India Account, a
copy of which for April 1893
is sent herewith. The books
now sent are the Trade and
Navigation accounts; I think
if this ^{is} correct, the
Board has made a
mistake.

13.5.97

Items IV & V on page 6 of
LCO. 29 November 1895 No 781 Rev
are one & the same. Please
see the first slab page
of the book. It may be that
the title of the book has since been corrected.

Champh. Please verify the
two sets & then let me know

The books are
different, as will be seen from
the correspondence put up;
but it appears such copies
have been received, and then
have been merely lodged in
this office. I should do the same
with these copies, but I think
a separate O.M. ^{may} be
sent, enquiring how many copies
of the Accounts by ^{Land} ~~Trade~~ of
~~Land~~ with Por-Judica are being
received in the settlement dep't
and how they are distributed.
Such copies were received ~~about~~
Aug-95. It is not clear why
this has been stopped.

Phil This may be ascertained
19597 by telephone. We
must get a copy from the Board
under G.O. 29 November 95 No 781.
This may also be pointed out.
As regards Trade & Navigation account

G.O. Inds No 2943 of 11th June 97

The Accounts relating to the Trade & Navigation of British India for the months of January & February 1897 which appear to have been sent to this office by mistake will be returned to the Board of Revenue with the remark that Copies of this publication are received in this office direct from the Dept. of Govt. Printing, India.

Flag A.

2. The Board of Revenue is requested to state whether Copies of the Accounts relating to the Trade by land of British India (item IV at page 6 of G.O. of 29 November 1895 No 781 Revenue) are being received by it or if so why a copy of the publication is not sent to this office.

Note.

Accounts relating to the Trade & Navigation of British India and "Accounts relating to the Trade by land of British India" are different. Two copies of the former are received from the Supt of Govt Printing, India, of which one is retained in the Govt office & the other sent to the Board (sep. Revenue). Five copies of the latter should have been received in the Settlement Dept of the Board (vide letter to the Supt of Govt Printing, India of 6 June 1896 No 2201) & one copy sent to this office (vide item III Flag A at page 6 of L.O. of 29 November 95 No 781 Revenue). It would appear that copies of this publication are not received in the Govt office from the Board & hence para 2 has been added to the draft f.o.
