Proceedings of the Board of Revenue
(Revenue Settlement, Land Records and Agriculture),

Dated 4th June 1897.

No. 4093 Mis.

READ... the following letter from the collector of Buddapah, dated 27th May 1897 -
Ref: on Current No. $\frac{298}{7}$ of 97:-

The Board is aware that the work connected with the weaver relief operations was transferred from the Special Deputy collector to the Deputy collector, Jammala-hundugan Division, in February last. A Special Deputy collector has been appointed to supervise the working of the scheme in districts and his duties, as defined in Board's Proceedings

dated 8th April 1897, No. 293,
Consist chiefly in bringing to
some degree of uniformity the
rules and tasks in the various
relief centres and generally
supervising the relief operations.
He is an itinerating officer and
cannot attend to duties of the
following nature, which re-
quire immediate attention.

(1) Audit of expenditure, in-
cluding the checking of vouchers,
preparation of the monthly bill
maintaining the registers pre-
scribed and watching the pro-
gress of expenditure and the
balance of allotment available.

(2) Keeping the depôts supplied
with materials, corresponding
on the subject with firms, ob-
taining bills from them and
making payments in satis-
faction of their claims.

3. Examining the cloths manu-
factured once a fortnight -
before they are despatched to
the central depôt at Buddapah.

(4) Submitting fortnightly-
narrative.

2. The above duties continue
therefore to be performed by
the deputy collector, Jammala-
mudugu Division. That officer
reports that the work in his
office has been considerably
increased owing to 2 depôts
having been opened, one at
Jammalamudugu and the
other at Proddatur, and that
his existing establishment is
unable to cope with the work.

3. There have been very bad
delays of late in the Deputy
Collector's office in the scruti-
ny of vouchers and submis-
sion of bills, and I am inclined
to agree with the deputy collector
that the delay is due to the in-
adequacy of the establishment.
The deputy collector says that
the scrutiny of vouchers

alone fully occupies one hand.

4. By Government Order dated 3rd November 1896 No. 4314 Miscellaneous, the Deputy Collector's office was strengthened by the addition of one clerk on Rs 20, but the additional hand works exclusively under the special deputy collector, who has been reporting that his work is heavy and the establishment allowed insufficient. This clerk is therefore not available for any work in the Divisional office. The latter officer requires an additional hand to keep pace with the additional work imposed upon it. This work is of an urgent nature and any delay is most objectionable.

5. Considering the large

scale on which weaver's reeling operations are going on in this District and the possibility of their being extended to the remaining taluk in the Division, I have the honour to recommend that an additional clerk on Rs 25 be sanctioned for the jammalamudga Deputy Collector's office and to request the favour of very early orders.

Resolution

Submitted to Government for sanction.

2. The collector should have submitted a proposition statement, as required in Government Order No. 604 Financial dated 21st September 1896. He is requested to submit

one immediately to govern-
ment through the Account-
ant General.
