FROM

F. G. SLY, Esq., C.S.,

Under-Secretary to the Government of India,

TO

*The Secretary to the Government of Madras,
Revenue Department.*

Dept. of Rev. & Agri.
Forsts.

Simla, the 29th May 1897.

SIR,

THE attention of the Government of India has been drawn to some recent cases of defalcation by head-clerks or revenue clerks of Forest Divisional Offices in several Provinces. These cases seem to indicate that such officials are peculiarly exposed to temptation in connection with the large monetary transactions which of necessity pass through their hands, and that there may be room for improvement in the control of such transactions, and possibly in the departmental system of accounts.

2. I am directed, therefore, to request that, with the permission of *the Governor in Council*, the Government of India may be furnished with a full report of all such defalcations which have occurred during the past five years, showing the method employed in each case in the perpetration of the fraud and the manner in which it was brought to light. I am also to ask for any suggestions for the improvement of the present system, and for the future prevention of fraud, which the facts may suggest to the Government of *Madras*.

I have the honour to be,

SIR,

Your most obedient Servant,

F. G. SLY

Under-Secretary to the Government of India.
