From

The Collector of
Madras

For Orders.

The owner of the land and the residents of the village object to part with the land as it forms part of an Wraai which is their only drinking water supply. They state that the water supply of the Wraai will be considerably curtailed if a portion of it is required for a well.

To

The Secretary to Government,
Revenue Department,
Madras.

Sir,

At the instance of the Assistant Commissioners, Salt and Abkari Revenue Pinnevelly Sub Division, I have the honor to forward herewith a draft declaration and Schedule for the Acquisition of .055 acres of land for the Construction of a well and a path to it in Kanjirangudy Pannad Taluk. The owners are not willing to part with the land and their objection statements are enclosed. In view of the strong opposition the Head Assistant Collector was not in favor of acquiring the piece of land and recommended that some other site might be selected. I agreed with him and asked the Assistant Commissioners to select some other

other site. He declines in effect to do so, saying that there is no other site where fresh water can be had. I have therefore only to submit the papers and request that if the acquisition be approved the notification may be published in the Fort Saint George Gazette. The estimated cost of the land to be taken up may be omitted when publishing the notification in the Fort Saint George Gazette. The Deputy Tahsildar of Rammad may be authorized to perform the functions of a Collector under the Act and to take orders for the acquisition of the land.

I have the honor to be
