The Board begs to report that the temporary establishment of 18 third grade peons, sanctioned for 3 months annually, for the Pandraka factory in the Manginapudi circle was entertained on different dates from the 1st March 1896 as necessity arose, during the season of that year and that, as manufacture continued till July and transport till August 1896, the retention of the establishment beyond the sanctioned period of 3 months was

was found necessary by the local officers. It is also reported that the quantities of salt scraped and transported during the season of 1896 were 1,03,162 and 1,00,038 mounds as against 60,842 and 57,639 mounds respectively in the preceding year. As the total expenditure amounted to Rs 401.2.3 as against Rs 324 sanctioned in the budget the sanction of government is solicited to the disbursement of the extra sum of Rs 77.2.3 from Savings in the current year's budget. The Deputy Commissioner has been directed to pay the money in anticipation of sanction to the men who were employed.
