Proceedings of the Board of Revenue

Dated 18 & may 1897.

No. 3485 miscellaneous

READ the following letter from the Collector of Ganjam, dated 4 & may 1897, disposal No. 44 audit of 1897:—

I have the honour to state that in view of affording famine relief, large amounts are drawn in this district from Local Funds on account of the collection of material for roads, improvement of watersupply and village sites both on test and ordinary works and consequently the accounts and vouchers connected therewith are being received for audit in large numbers.

2. My present local audit staff is not able to cope with the duty of auditing the

same without detriment to current work which has considerably increased.

3. Being of opinion that the vouchers relating to famine expenditure should be audited as speedily as possible, I have, in anticipation of sanction, entertained a temporary assistant audit clerk on Rs 30 per mensem to audit the famine vouchers and request that my action may be approved.

Resolution.

Submitted to Government for sanction. Similar assistance was sanctioned for Cuddapah and Bellary districts in G.O. No. 183 Financial dated 22nd February 1877.

2. The Collector will be requested to submit a proposition statement at a very early date.
