Revenue Board.

Sir,

In forwarding herewith Tinnevelly Collector's endorsement No.1904 dated 12th November 1896, to your address (submitted through this office) I would observe that it seems advisable that the "Margarita" should be sent to Bombay for repairs, as proposed by Mr.Baker, but it would be necessary to ascertain beforehand from the Director of Marine the date on which the vessel should reach Bombay after the middle of January 1897 in order that there may be no unnecessary delay in proceeding with the repairs after her arrival there.

2. The defect list supplied by Mr.Baker and sent herewith is not sufficiently complete as to the details. I have, therefore, asked him to prepare lists in the form adopted in the case of Indian Marine vessels and will forward them on to you on receipt.
