the following letter from the Collector of Tumkur
dated 9th May 1897, Ref on Periodical No.
 $\frac{120}{\text{ur}}$ of 96:—

A loan of Rs 200 was paid
to one Thummaru Rosanna, of Alampur
Sinnal Taluq, under the Agriculturists
Loans Act for the purchase of bullocks on
condition of repaying the amount
in two instalments. The borrower having
failed to repay the 2nd instalment
of Rs 100 with Rs 13-13-7 the interest
due

due by him, the lands pledged were attached and sold for Rs 15-8-0.

The Head Assistant Collector recommends that the remaining amount of Rs 98-5-7 (principal Rs 84-8-0 and interest Rs 13-13-7) may be written off as the borrower has no other property, I have the honour to proceed against the recommendation.

2. The officer who recommended the grant of the loan is M. R. N. A. Braaswami Naidu, the present Shrivastadar of Rainakkat taluk and his explanation is enclosed herewith.

3. The loan records are herewith submitted for perusal and return.

Resolution

Resolution

Submitted for the orders of Government.

2. A loan of Rs 200 payable in two annual instalments, was granted under the Agriculturists' Loans Act, to one Kummara Rosanna of Mannur village, Sivul Taluk, Thiruvallur district, for the purchase of bullocks. The borrower having failed to repay the second instalment of Rs 100 with interest Rs 13-13-7, the lands pledged as security were proceeded against and sold for only Rs 15-8-0. After crediting this amount to arrears of principal

principal due, there remains a
balance of Rs 84-8-0 under
'principal' and Rs 13-13-7 under
interest, or Rs 98-5-7 in all which
is reported to be irrecoverable.
In crediting the amount realized
by sale of the lands pledged as
security - the collector apparently
overlooked the rule that such
amount should first be applied
to the discharge of interest due and
the balance if any to that of prin-
cipal.

3. 3. It appears from the report
of the Revenue Inspector who con-
ducted the sale of the lands, that the
lands

lands accepted as security for the
loan included the borrower's half-
share in any unfranchised service
(artizan) man land which could
not be sold. The Revenue Inspector
who valued the lands and who is
at present the taluk Sheristadar
of Raonabakat taluk states
that his valuation viz. about
Rs 300 of the total extent of lands
29.8 acres at Rs 10 and a crore, which
is below 15 times the assessment
was fair, that the village officer
and three other members of the village
agreed with him and that if
no

No bidding came forward at
the sale of the land it might
be due to the fact that the ho-
mmer is an influential ryot in
the village. The Revenue Inspector
who conducted the sale states
however, that the hommer is not
an influential ryot as he is only
a father by profession, that it is
well known that the lands which
are situated at the foot of the
Mallamalas, are valueless and
3. that they are only periodically
taken up for cultivation and
relinquished after one or two
years

years occupation. The collector
merely forwards the taluk Shrivis-
tar's explanation and the records
of the case. He should have stated
whether he is satisfied with that
officer's explanation.

4. The Board supports the
collector's recommendation that
the sum of Rs 98-5-7 reported
to be irrecoverable may be ordered
to be written off the accounts.
