Submitted with the remark that there is no
account objection to the loan

It will be seen from the accompanying
statement that the salaries proposed to be paid to
the officers shown in the margin during the
period of their employment in Foreign Service
are in excess of the amounts admissible to
them under Rule 1 of clause 14 of Article 806

Government, however, be satisfied that their
case falls under rule 2 of the above clause
as represented by the Court, there is no
objection to their being granted the salaries
proposed.
