Resolution

The papers read above relate to items 9 and 17 in the statement in para 5 of B.P. No. 264, dated 16th June 1894, viz. land taken up for the extension of Narasaraopet town and of the village site at Padana in the Kistna District. The Narasaraopet site will be first dealt with.

2. The Taluk Board of Vinukonda having acquired 5.64 acres of patta land at Narasaraopet at a cost of Rs. 111-12-6, land together with 13.40 acres of Government assessed waste land, was converted into village-site. The total area of 19.04 acres was then disposed of by the Taluk Board as shown below:-

	Govt. waste land Ac. C.	Patta land ac- quired by the Taluk Board Ac. C.
1. Extent sold in small lots as house-sites -----	5 - 33½	0 - 94
2. Extent for sale as house- sites but left unoccupied for want of purchasers -----	0 - 19	0 - 9½
3. Extent reserved for a market --	1 - 0	0 - 98
4. Do- for roads and public well	6 - 38 13 - 40½	2 - 76 5 - 64

The Board has to make the following remarks upon these items:-

(a) Item 1. The sale-proceeds (Rs. 934) of the house-sites have been credited to "Local Funds." The Government waste land included in this item should have been sold by the Collector under S.O. No. 37 and the proceeds credited to Provincial Revenues. The Taluk Board should now be called upon to refund the amount realized by the sale of this land.

(b) item 2. So much of this extent as is composed of Government waste land should, as already observed, be retained in the Collector's

hands and sold under S.O. No. 37.

(c) item 1, 2 & 3. The assessment on the patta land in items 1 and 2 and on the whole of the land against item 3 should be levied from the Taluk Board as proposed by the Collector.

(d) item 4. In regard to the extent utilised for the well, statements in the form prescribed in para 7 of the B.P. No. 67, dated 22nd February 1897 should be submitted in order that the sanction of Government may be obtained under para 3 of S.O. No. 12 A to the alienation of land and land revenue. The Collector's action in exempting the roads in item 4 from assessment is approved.

3. For the extension of the village-site at Padana 6.61 acres of patta land were acquired by the Taluk Board, Masulipatam. The land was divided into 42 plots of which 6 were reserved by the Taluk Board and the rest were sold to private individuals as house-site, the sale-proceeds being credited to "Local Funds". It is understood that the Taluk Board is willing to pay assessment for the 36 house-sites and for two of the plots reserved for general purposes. The Collector will see that the assessment or the capitalised value thereof is recovered accordingly.

The four remaining plots were utilised as shown in the margin and

the provisions of

S.O. No. 12 A. The Board considers that the tope attached to the market should be regarded as part of the market and therefore liable to assessment. The Collector's recommendations as to the other sites are submitted for the favorable consideration of Government.
