No. 3089 Ms.

READ... the following letter from the Collector
of Nizampur dated 28th April 1897
Ref: on C. No. 820
30-4-97

I have the honour to
request the sanction of the Board
for the introduction of the weaver
relief scheme, in the Gooty Taluk.
The Deputy Collector Gooty reports
that so far only weavers of 2 vill-
ages, Konakonda and Gulu-
patayam have expressed their
willingness to accept state-
relief, those of Guntakul and
Kamalpaund were at first willing

but subsequently refused to accept the terms. The Deputy Collector's enquiries show that these men and others in the neighbouring village will ere long come forward to seek relief. From the village war statistics submitted by the Tahsildar it appears that in two villages (Konakonda and Gubpalayam) there are about 291 weavers needing relief. They own 123 looms of which 105 are said to be working. This shows that relief operations will be confined at the outset to a comparatively small number of families though as time goes on the weavers will have no other option than to throw themselves on State aid.

The cloths selected for this Taluk are the same as those already settled for Tadpatri (Vide R.P. No 188 4-3-97) and the local looms can be adapted or adjusted for

weaving them. These cloths are reported to find a ready sale in this district as well as in Bellary and Tringali.

2. As regards the Task, I beg to recommend that the ^{one} Sanction for and now in vogue in Adoni may be adopted for Gooty under G.O. No 229 1-4-97. A task table in the form prescribed in B.P. No 121 4-3-97 will be submitted.

3. As regards the establishment necessary for starting the Scheme I am of opinion that to begin with the establishment originally proposed by the Deputy Collector for Tadpatri Taluk viz one appraiser and Store keeper on Rs 20 a month (who will be required to furnish security for Rs 200) and one paymaster on Rs 30 and attender on Rs 7 will suffice. The Stationary Submagistrate of Gooty may be entrusted with the

the starting of the work: I would however solicit general sanction of the Board for entertaining the full complement of the staff allowed for Tadpatri when the number of weavers applying for relief rise to 200 or above.

Resolution

The collector's proposals are approved with the following remarks.

2. The Adoni task-table will have to be modified to suit the local conditions, it being borne in mind that the daily task at Adoni though nominally 10 hours has been calculated on the outturn of an able bodied man working hard for 8 hours.

3. The pay of the store-keepers should be raised in accordance with G. O. 274/28-4-97.
