Resolution

Submitted to Government.

2 In the first of the letters read above, the collector of Coimbatore requested the Board to obtain the sanction of Government for the publication in the Fort St George Gazette of a notification intimating the dismissal from Government service of one Biornilla Sahib, a forest guard in the Kollegal range. The guard was convicted of an offence punishable under section 21(e) of the Madras Forest Act, V of 1882, but as it was not clear from the collector's letter whether the offence of which the guard was found guilty was so heinous as to bring it under purview of the Govt of India Circular No 10 Public 917, dated 15th June 1895 communicated in Government Order Revenue No 2982 M.S., dated 26th July, 1895, the Board called upon the collector to submit a copy of the judgment in the case.

3 From paragraph 19 of the Taluk Magistrate's judgment received with the second of the above letters, it is observed that the guard was found to have cut timber dishonestly for his own private purposes under the cloak of his official position. The fact that the forest guard was prosecuted under

under the Forest Act instead of under sections 381 and 409 of the Indian Penal Code does not in any way alter the gravity of the offence and the Board therefore recommends that the annexed notification may be ordered to be published in the Fort St George Gazette.
