Proceedings of the Board of Revenue

(Separate Revenue.)

Dated 25th May, 1897.

His No. 2191

Read letter from the Deputy Commissioner, Southern Division No 931 dated 28th February 1897 stating with remarks that O. Nambi Nambiar held the permanent Head Clerkship of the Ponnani circle in November 1892 and not L. S. Krishna Iyer; and Board's Reference there to the same officer dated 14th April 1897 requires him to submit for reference certain correspondence.

Read also letter from the same officer No 1898 dated 24th April 1897 submitting copies of communications called for.

Resolution

O. Nambi Nambiar who was Sub problem Head Clerk in the Tellicherry circle was transferred to the Ponnani circle as Sub problem 5th grade Sub-Inspector in November 1892. The pay and travelling allowance amounting to Rs 12-7-2 drawn by him for the period in transit from Tellicherry

to Ponnani were disallowed by the Board and the Accountant General on the ground that he was not entitled to any allowance as he held no permanent appointment. The amount was accordingly refunded in March 1893.

The Sub Inspector was subsequently transferred in July 1893 from the Ponnani to the Udipi circle and the same question of payment of transit pay having arisen a reference was made to the Deputy Commissioner who decided in November 1893 that the Sub Inspector was the permanent Head Clerk of the Ponnani circle and Sub problem Head Clerk of the Zelli-cherry circle from December 1890 although the pay bills of these circles having been incorrectly drawn up these facts were overlooked at first. The payment of Salary and Travelling Allowance during transit on the second occasion was accordingly made by the Inspector, Udipi circle in April 1894. Meanwhile, on receipt of the Deputy Commissioner's Proceedings, the

Sub Inspector put in petitions to the Inspectors Udipi and Ponnani circles requesting the payment of Salary and Travelling Allowance due to him for November 1892 on his transfer from the Zelli-cherry to the Ponnani circle. The matter has been under correspondence ever since owing principally to the excessive delay in the Udipi and Ponnani Inspectors' offices in referring the question to the Assistant Commissioner, Calicut. Sub Division for orders, but partly to the Sub Inspector having abandoned the claim for 1 year and 7 months under a mistaken explanation of the rules by the Udipi Inspector. It is reported that the Ponnani circle Head Clerk who was at fault has since been punished and transferred to another circle. The Sub Inspector is in no way responsible for the delay that has taken place. In these circumstances the

the Board requests that government will be
pleased to authorise the Accountant General
under para 4 of the Government of India -
Resolution No 998 P dated 2nd March 1896 In p. 1422 :
9.4.96
to pass the arrears of pay and travelling
allowance due to the Sub Inspector.

2. The attention of the Deputy Commissioner,
Southern Division is called to the disgraceful
delays which too frequently occur in his
division. It is requested that all such
cases coming to his notice may be promptly
looked into in future and that the officers
in fault (who are not necessarily always
the clerks) may be punished or reported
to the Board. It seems clear that no -
proper check of arrears of correspondence
is being exercised or if it is the entries
are being made in such a way as
to conceal cases like the
