Proceedings of the Board of Revenue

(Revenue Settlement, Land Records and Agriculture.)

Dated 14th June 1897.

No. 4302 Mis.

READ the following letter from the Collector of Ganjam, dated 1st June 1897, J Dis No. $\frac{24}{acc}$ of 97:-

I have the honor to state that expenditure in connection with famine operations has of late been increasing considerably.

2. The enclosed statement which deals only with amounts spent on gratuitous relief and weaver's relief shows how the expenditure has been progressing from month

to month. Of the total amount spent up to date the Divisional officers have accounted for Rs 2094-15-7 only leaving a large balance of Rs 56442-4-4.

3. The Senior Assistant Collector and the Head Quarters Deputy collector ask for the assistance of an auditor for auditing famine bills of their Divisions which are the most affected parts in the District. The major portion of the amount spent up to date relates to these Divisions and the balances outstanding against them are consequently large. Considering the heavy famine work in these 2 Divisions

I do not think that their ordinary establishment strengthened as it is by an additional clerk on Rs 20/- whose time is taken up with famine correspondences can audit famine bills with their numerous sub vouchers without detriment to famine and other ordinary work. The famine bills require careful and minute audit. If the work is left to the present establishment it will not only be done perfunctorily but is certain to fall heavily into arrears. I therefore recommend that an audit clerk on Rs 30/- may be sanctioned for

for each of the 2 Divisional officers for auditing the famine bills. I have allowed a fair rate of pay as the services of an intelligent man are required for the work.

4. In my own office the account branch requires strengthening by 2 temporary accountants on Rs 40/- each for auditing famine bills and for watching carefully adjustment of famine expenditure incurred by Divisional officers.

5. In Board's Proceedings No 3430 dated 15th May 1877, I have been authorised to

Two clerks on Rs 30 and 20 for the Ver. Branch
One accountant on Rs 25 for the acc. Branch
One attendant on Rs 10 to assist the Stationary Clerk

to strengthen my office establishment by as many hands as may be necessary provided the aggregate cost of the establishment does not exceed the amount sanctioned for Cuddapah viz Rs 85/-. To be within the sanctioned amount I have entertained the marginally noted hands thus giving an accountant on Rs 25/- for the accounts Branch for auditing famine bills and for the preparation of other famine statistics which are required from the accounts Branch according to

to the distribution of work.

but the daily increasing famine expenditure has been found to be too much for a single hand to audit and consequently the extra work is being shared by other accountants thus allowing arrears of ordinary Treasury work to accumulate.

6. It will be seen from Board's Proceedings No 326, dated 27-8-96, Land Revenue, that the ordinary Treasury work of this District is heavy unlike that in other affected Districts such as Cuddapah, Kurnool, Bellary and Anantapur.

According

One accountant on Rs 40/-
Rs 35/-
Rs 20/-
Rs 15/-

According to the classification of the Accountant-General Cuddapah is a medium Treasury, Kurnool, Bellary and Anantapur are light Treasuries, while Ganjam is a heavy Treasury. Now famine has considerably added to the heavy Treasury work of the District. In 1889 four clerks as per margin were sanctioned for audit of expenditure for gratuitous and weaver's relief alone, vide enclosure to my letter D. C. No. $\frac{514}{7}$ dated 23rd March 1897, though the ordinary Treasury work was then only a half of

of what it has become now.

7. Under these circumstances I request that the temporary lands asked for may be sanctioned.

The following telegram was despatched to the Board yesterday.

Please obtain Government sanction urgently for —
entertainment two additional temporary accountants aggregating Rupees eighty Huzar, also two audit clerks aggregating Rupees sixty divisional offices, otherwise audit work famine and ordinary must

must fall into arrears. ^{per}
Explanatory letter follows. ^{is}

Resolution ^{is}

Submitted to Government in continuation of the telegram despatched on the 2nd current.

2. The collector should have submitted a proposition statement. He is requested to submit one to Government through the Accountant-General without delay.
