The Hon Mr. Justice

A native gentleman of Manipal has made a free gift of 43.15 acres of patta land assessed at Rs 50-3-0 as an endowment to the Industrial School at Berzwada which is under the control of the D.C. Board. The institution imparts instruction in the rudiments of carpentry, rattan work &c, supplies a free elementary general education and is intended to be developed into something in the nature of a technical school. The Presdt. of the D.C. Board reports that the land covers

by the endowment is poor
and that there is some
reason to fear that the
endowment maybe un-
productive of any revenue
to the D^t Board and there-
fore requests that the assess-
ment on the land maybe
remitted so long as the
endowment is devoted
to the support of the school.
The request is practically
one for alienation or assign-
ment of land revenue for
the benefit of the D^t
Board though for a
public purpose and is
therefore not within the
powers of the local Govt
to grant. (vide para 3 of G.O.
letter of 17th Nov 1891 printed
with G.O. No 44 dt 15-1-92 ^{and} ~~and~~
para 6 of S.O. No 12 A (new Edⁿ).
The Board considers that
there are no sufficient
grounds for a reference
to the Govt of India.

Orders are requested.
