Bungalow enquired whether the original work having been undertaken by the Departmental authorities and the sanction of the Govt of India being required if the P.W.D. officers should undertake the repairs now, the latter work also may or might not be entrusted to the Departmental authorities. The matter was referred to the Board of Rev: for report, and that the Board now states in reply that there is no objection to the work proposed ^{by the P.W.D.} and that the O.F.O. has already taken in hand the work under instructions from the Collector and the Conservator.

On a previous occasion the work of repairs had been undertaken by the P.W.D. (vide G.O. 2176 R. 4/10/97 no: 1093 flags B) but as the new work has already been taken in hand the action of the District authorities may it is presumed be approved. The local Govt is apparently competent to do this under the provisions of Sec 148 of the new Forest Code.

Proceedings of the Board of Revenue

(Land Revenue),

Dated 13 May 1897.
Forest No. 435 Miscellaneous.

READ *Indorsement of the Under Secretary to Government, Revenue Department, dated 25 February 97, No. 1131, forwarding certain correspondence regarding the proposed improvements to the Forest Bungalow at Nandyal and the following reference thereon dated 5 March 97.*

Forwarded to the Collector of Kurnool for early report which should be submitted through the Conservator of Forests, Northern Circle.

Read Indorsement of the Conservator of Forests, Northern Circle, dated 28 April 97, R.C. No 2/22

R. C. No 2122 forwarding the following
letter from the Collector of Thiruvol, to the
Secretary to the Commissioners of Land
Revenue, Madras, dated 13 April 97, L. C. No 2110
Forests

In returning the enclosure to the
above as directed, I have the honor to report
that on receipt of Board's Proceedings
Forest No 1257 Inis, dated 3rd September 96
approving of the estimates for improvements
to the Nandyal Forest Bungalow, the
District Forest Officer referred the question
of the agency by which the work should
be executed to the Collector and Conservator
who were both of opinion that the work
should be carried out departmentally.

The District Forest Officer therefore put
the works in hand and they are now
approaching completion.

Resolution

Resolution

The Collector's letter, read above
will be submitted to Government with
reference to its Endorsement Inis No 1131 dated
25 February 1897.

2. In Government Order Inis No 3540 Rev.
dated 3.9.96 Government approved of certain
estimates for repairs and improvements to
the Nandyal Forest Bungalow, amounting
to Rs. 3200/- and communicated a copy of its
order to the Public Works Department.
The Superintending Engineer was thereupon
asked for certain further information
with a view to ascertain whether the proposed
expenditure on the improvements to the portion
of the building occupied as a residence was
within the sanctioning powers of the Local
Government. The necessary information
was furnished in the Collector's letter
No 2110 dated 6.1.97 which was transferred to

to the Public Works department with the endorsement of Government No 514 Revenue, dated 27.1.97. On this the Public Works Dept sent the papers back to the Revenue Department with the observation that if the Public Works Rules were applied, the sanction of the Government of India would have to be obtained for the execution of the work. It therefore suggested for consideration whether, as the bungalow was originally constructed by the Forest Department, the proposed improvements might not also be carried out by the same agency.

3. The Collector of Mymool who was asked to report on the point states that the work has already been taken on hand by the District Forest Officer departmentally under instructions from the Collector and the Conservator and that it is now approaching completion.

4. The Board has no objection to the proposed execution.

execution of the work departmentally, and accordingly requests that the ~~sanction~~ action of the district authorities in the matter may be approved.
