C No 4754 of 97)

For orders.

A Clerk on Rs 20 was entertained in the Palghat Taluk office on 7th March 1895 for doing the work connected with the settlement of escheats. (Vide Gs.O. 597 78. 2. 95). His retention till 30th September 96 and again till 31st March last was sanctioned in Gs.Os 2381 dtd 7.8.96 and 5124 dt 12. 12. 96 respectively. The Collector now applies for the retention of the Clerk for another six months, i.e, until the end of September next.

2. The work done since the entertainment of the clerk on 7th March 95 till 1st April 1897 and that remaining to be done on the ladder date both under the old and new settlements, are shown below:—

Nature of work.	Old settlement		New settlement	
	work done	work remaining to be done	work done	work remaining to be done
1. Disposal of lands.	64	10	1	"
2. Issue of Quit-rent pattas.	31	22	72	13
3. Preparation of Quit-rent registers	16	5	147	"
4. Do — of escheat Title-deeds.	10	221	10	389
5. Do of Inam land Title-deeds.	"	50	"	"

The work remaining to be done is not heavy except under item 4, viz the preparation of title-deeds and with reference to this, it appears that the parties do not care for title-deeds especially because they have to pay the value of the stamp paper and the registration fee and that they are quite content with pattas only as the title-deeds do not improve their rights in any way. It is, however, reported that the rest of the work cannot be done satisfactorily and expeditiously without extra clerical help, that numerous cases relating to escheat lands have to be argued before the Special by Collector in charge of the registration of Devasam title and that civil suits in connection with escheat lands often arise, which greatly increase the work in the taluk and that therefore it is absolutely necessary to retain the escheat clerk for another six months. Two months of the period for which the extension is applied for, have already passed, and it is submitted that the further retention may be sanctioned as recommended by the Board of Revenue and the Collector

Collector made to understand distinctly that no further application for extension will be favorably considered by Government.

2. The charge is proposed to be met from general Savings under Land Revenue.

3. The following draft is submitted.

Lr. D. (Mis) No. 3135 of 19.6.97

The further retention of the escheat clerk in Palghat taluk until 30th September 1897 is sanctioned as recommended by the Board of Revenue.

2. The Collector should be informed that no further extension will be allowed and that every endeavour should be made to complete the work within the period now sanctioned.

3. The application for the further retention of the establishment should have been made before the expiry of the last sanctioned period - not more than seven weeks thereafter.
