Chc 3-6-97.

With reference to correspondence ending with the letter from this Government No. 1710 III-865D, dated 24th December 1896, relative to the management of the Choultry in Benares founded by Callah Singanna Chetty I am directed to state, for the information of His Excellency the Governor in Council, that Gauri Shankar, the person who had previously acted as the local Agent of the trust at Benares, has been appointed to receive and disburse the monthly payments; and to request that the date from which the monthly allowance for the Trust should be drawn at Benares may be intimated at a very early date. The last payment made by the Collector of Benares, amounting to Rs.160/13/4, was in July 1894; and the balance Rs.81/9/1 was made over to the local Agent of which due intimation was given to the Government of Madras by the Collector.

2. I am also to invite your attention to para 2 of the letter quoted above, and to request that with the permission of His Excellency in Council, this --- Government may be informed if it is proposed to issue one vesting order to cover all the four trusts founded

To

The Chief Secy to Govt. N.W.P & Oudh.

Sir,

I am directed to acknowledge the receipt of your letter No 1710 dt 24-12-96 and No 588 dt 28-5-97 relative to the management of the choultry at Benares founded by Collah Singanah chetti and in reply to para 3 of the earlier communication, to point out that under the orders of H E the Governor in C contained

contained in the marginally noted correspondence, it is the collector of Benares that has to disburse from the Benares treasury the sum of Rs 50 pm to the agent for the time being appointed by the representative of ~~the~~ Sriganamah chetti to conduct the charity at that station and that no remittance of funds from this Presy appears to be necessary

2. With reference to the enquiry in para 2 of the same letter, I am directed to observe that as the pro-notes for Rs 40,000 originally deposited by Collah Singanmah chetti were cancelled and there is now only an obligation on the part of the Govt to pay for ever

Rs 50 pm for the maintenance of each of the four choultries founded by him, there is no longer any property to be vested in the Treasurer of charitable endowments. As regards however the sum which represents the accumulated savings out of the Benares portion of the endowment, the Advocate General to the Govt of Madras who was consulted on the point, is of opinion that a scheme for the administration of this fund might be settled under section 5 of act VI of 1890 (India) should an application be made under Section 6 of the act. The question as to who should make the

application under the last-mentioned section is still under reference to the Hon'ble the Advocate General and on receipt of his reply, upon the communication will be addressed to your Govt.

3. Referring to para 1 of your letter of the 28th ultimo, I am directed to state that payment of the allowance may be resumed from 1st July 1897.

I have the honour to be,
Sir,
Your most obedient servant,

It is submitted that the above reply may go for the present to the N.W.P. Govt.
