Proceedings of the Board of Revenue
(Revenue Settlement, Land Records and Agriculture)
Dated 12th June 1897 : No 4270bis

Read the following letter from the Collector of
North Arcot, dated 5th June 1897 Ref on
No 821
cur. V. & C.

With reference to Board's Proceedings No
285
Bett. dated the 6th April 1897, I have the honour to
state that the following sums will be required
for payment of second instalments of loans
previously granted in the taluks named.
These are now bound under the Contract
to advance and request allotment accordingly

Name of taluk

Allotment that has
to be sanctioned

	Rs.
1. Shittor	7,000
2. Chandragiri	3,140
3. Goleer	250
4. Wandivash	8,000
5. Arcot	6,915
6. Walajah	2,500
7. Gudiyatam	4,000
Total	31,805

I also request that a further sum of Rs
5,000 be allotted for fresh loans under the
Land Improvement Loans Act in the Pakala
fistka of Chandragiri Taluk. This is an
afflicted tract, as already reported to the Board
and loans are urgently needed. Promptness
in granting them just at this season is
all important and as the works will give
employment just now when the demand
for labour is falling off, I earnestly
request that order granting this allotment
be communicated by wire.

Resolution

It can be no doubt that
Government

Government is bound to complete its contract in
 1. cases where loans have been already promised
 and work has been done to the value of one or more
 instalments. G. O. Financial note dated 4 June
 1897 communicated with Board. Proceedings No
 421 dated 2 June 1897 is not intended to
 prohibit completion of contracts, and
 the collector will continue to advance such
 instalments as he is under agreement to make.
 2. The collectors of other non-affected districts
 will report what amounts they require for the
 same purpose.
 3. Under the circumstances mentioned by
 the collector, he is likewise authorised to
 advance a further sum of Rs 5000 for
 fresh loans in the Pakala Triska, the
 Board being satisfied that the outlay,
 so far as it goes, will help a number of
 persons who are in danger of becoming
 relief-workers.
