Proceedings of the Board of Revenue
(Revenue Settlement, Land Records and Agriculture),

Dated 16th June 1894.

No. 4340 Mis.

READ... the following letter from the
Collector of Buddapah dated
4th June 1894 Reference on
Current No. $\frac{216}{4}$ of 94:-

With reference to Board's
Proceedings No. 4035 Mis. dated
2nd June 1894, I have the honor
to submit herewith a list showing
the names and pay of the Circle
Inspectors other than the ordinary
Revenue Inspectors appointed up

& date.

2. The four affected Taluks have, for the present been divided into 18 circles and 12 of these have been placed in charge of the Revenue inspectors ~~have~~ and for the remaining 6 Circle inspectors have been appointed. More circles will be formed as necessity arises and more inspectors appointed. The pay of the Circle inspector has been fixed at Rupees 60, as the duties of the post involve constant travelling which necessitates the maintenance of a bullock cart or a pony and service in Buddapah District is always most unpopular.

3. Owing to the absence of suitable men in this District

recruitments

recruitments will have to be made from among Sub Registrars, Path Sub. inspectors, Schoolmasters &c. — Such of these Officers as are already drawing Rupees 40 or 50 may be willing to be appointed as Circle inspectors, only if the maximum pay be allowed. I therefore request that in consideration of the state of this District, it may be allowed discretion to give the maximum salary.

Resolution.

The list is approved and submitted to Government.

2. Subject to the general sanction of Government the Collector

Collector may sanction salary not exceeding the maximum mentioned in Section 40 of the Famine Code. He should use his discretion as to the pay to be allowed. The Collector should so arrange as not to permit Gamabandi to divert any of the Revenue collections from their famine duties.
