From

Drain Commissioners Office
Madras, 31 May 1897

The Honourable Mr. G. G. Leslie
Drain Commissioners,

The Secretary to Government
Revenue Department
Madras.

Sir,

With reference to Government Order No. 35, dated 22nd February 1897, I have the honour to submit herewith the statements of claims filed before the Drain Deputy Collector in 1893 and to state that the Collector reports that the order of 1881 directing the resumption of the drains was neither communicated to the holders nor was any new assessment levied thereon.

2. A statement of drains resumed and reassessed in 1881 was communicated to the Collector in 1889 along with Drain Faisals but no action is reported to have been taken in the Collector's office towards communicating the same to the Inhabildars for the necessary action.

ing taken in the matter. It is explained that this was due to the mistaken impression that the necessary deeds would have been issued in each case at the time when the orders of resumption were passed.

In the light of the information now furnished I cannot be said that the landowners are guilty of misrepresentation and the title deeds now delivered them cannot be cancelled as originally recommended unless the holders consent to the same.

The records returned with Government orders 12957 dated 17th May 1897, are resubmitted for reference and return when no longer required.

I have the honour to be,
Sir,

Your most obedient servant,

G. I. 106
Inam Commissioners.
