(Through the Accountant General
of the Board of Revenue)

Sir,

In submitting herewith copy of the proceedings
of the High Court, Madras, dated 24th April 1907,
appointing me Receiver of the Palani & Coimbatore
directing me to obtain the permission of Government
for being so employed, I beg most respectfully to
request:

- 1) That permission may be accordingly
granted me to accept the appointment.
- 2) That orders of the Government of India
may be obtained for the farough allowances
being continued to me during my em-
ployment as Receiver until on such terms.

Unless overruled by the High Court on appeal,
the order is proposed to take effect after
the receipt.

of Public Servants, I find no reference to any orders relating to the point (1) but I believe the permission of Government must necessarily be obtained in cases of this kind. My one year's furlough took effect from 1st Novr 1876, that is, after the last period allowed for the completion of the special duty in connection with the abolition of cesses and duties in the Madras District. As the Act passed since the order to take effect only after the cesses, there will be just 4 months of furlough unspent & if Government be pleased to permit it, I intend taking an extension of furlough till nearly the end of Sept/98, a period of ~~18~~ ¹⁴ months & hereby apply for the same till ¹⁴ months, since my fifty fifth year will expire on the 26th of that month, & then retire unless circumstances induce me to return to public service then or meanwhile. I believe service as Receiver, although under the control of Government, inasmuch as it would be under the control of the District Judge would not be regarded as foreign service & no contribution would be permitted. If otherwise, I pray for orders on that score.

3 I have a qualifying service of 29 years & having a bona fide intention to reside in India, I most earnestly request that my application for a furlough be granted.

No. 3728 dated 10th July 1888, Finance & Commerce (quoted under Rule 77) the sanction of the Govt of India may be obtained for the furlough allowance being continued to me during the period of my absence. In this connection, I beg permission to state that my services in connection with the duties of the Receiver in the Madras District, in the year 1882 were ^{by superior officers, if not also} favorably noticed by Government. More in connection with the selection of water tax of Rs 100 in the Acacia Estate in the year 1888 was made by the then Collector of the District in his report to the Board & those in connection with the water tax administration in the year 1889 were favorably noticed by the Board & Government.

Proceedings of the Hist. Soc., N. H. Soc.
Held 24th April 1897.

Read his petition No 354 of 1897 in O.P. 169
 1896 presented by the Honble Mr. H. Subbarao
 Prantula praying that the said Estates may be
 placed in the hands of a Receiver to be
 appointed -

The 1st Defendant will be removed from
 possession & the house from the management of
 the soil estates, which will be committed to the
 custody & management of Mr. R. By (on leave preparatory
 to retiring) who is hereby appointed Receiver on
 a salary of Rs 500 a month, with power to
 bring & defend suits, collect rents & profits,
 & to hold & invest funds to the credit of the
 estate - He will give security Rs 10,000 (ten
 thousand) - As much as he has been able
 is still on the aching list, the sanction of the
 Court will have to be obtained by him for
 every receipting the post.

2. As the vacation is now about to begin the
 persons will probably wish to press an
 appeal against this order & moreover, the
 limitations may take some time, this order will
 not take effect till the reopening of the Court
 after vacation.

REVENUE DEPARTMENT

C. No. 4756 of 1897

From *the Board of Revenue (L.R.)*

Dated 1 June 1897

FOR ORDERS.

The Hon^{ble} Mr J. Grose C. I. E.
His Excellency the Governor.

With the papers read above, the Board of Revenue considers an application from Dy Collector Ch. Venkataswami Pantula (Narasingu) in which he requests that he may be permitted to accept the appointment of Receiver of the Village Estates in Kistna offered to him by the District Judge and that the sanction of the Government of India may be obtained for the leave allowance being continued to him during his employment as Receiver. He also requests that ~~his appointment as Receiver~~ ~~be continued to him~~ ~~for 11 months~~ ~~from the 31 October 1897~~ ~~to the 31 October 1898~~ ~~when he attains his 55th age~~ ~~It appears from the Secy. of the District Court Kistna that the salary of the Receiver is Rs 500 p~~

2. The Accountant General points out that, under the notification of the Govt of India No 3738 of 10 July 1888, the sanction of the Government of India is necessary to Venkataswalam Pantulu holding the post of Receiver during the period of his furlough and drawing his furlough allowance in addition to his pay as Receiver - He does not say whether the Dy Collector is eligible for the extension of furlough applied for by him.

3. The Board of Revenue (L.R.) reported recently that the work done by the Dy Collector was not satisfactory. The reports & explanations called for in Nos 29 September '96 No 3894 M.S. & 4 Feb 1897 No 636 have not yet been received. Orders are solicited.

FOR ORDERS.

What we have seen of his work on the re-allocation of revenue work & in connection with income tax work makes it very improbable that his explanations will be satisfactory. & I do not think we can recommend the Govt of India to give him furlough pay whilst he is Receiver.

If he wants an extension of furlough he can apply for it separately. J.S.

G.O. M.S. No. 3185, of 24.6.97

The Government is not prepared to recommend to the Government of India the continuance of the furlough allowance to Mr. Dy Ch. Venkataswalam Pantulu during his employment as Receiver. If he wants an extension of furlough he should apply for it separately.

11/4/97

Note - The Dy Collector reports that the Govt of India may be advised by wire that the Govt of India may also be advised by wire. It seems unnecessary to communicate the same by wire.
