Proceedings of the Board of Revenue

(Revenue Settlement, Land Records and Agriculture),

Dated 16th June 1897.

No. 4365 mis

READ... the following letter from the
Collector of Anantapur dated
3rd June 1897, Ref: on C No. 2506.

With reference to
para 7 of the Board's Proceed-
ings No. 364 dated 13th May 1897
Revenue settlement, I have the
honor to report that I have
made enquiries into the
reasons of the great export
from

from this district. They are chiefly from Huidupur and their destination is the Bombay Presidency. They consist of bholam, which a Bombay Sait is buying here (in Huidupur) in very large quantities. The price of bholam in the Belgaum, Dharwar and other districts is said to be very high - only about 7 or 8 seers a rupee - whereas the local price was about ¹⁶12 seers. His large purchases have driven the price up to 13 or 14 for grain of superior quality. Previous to this Sait's arrival three or four waggon loads used to be exported daily to

to Tadpatri, but now only one is sent thither, the price having risen so high.
