SUBJECT.

Replying to the Government Order regarding the question of the retention of certain Stock & Agricultural Inspectors

* flagged B

The Board promises to submit a further report* on the Agri Inspectors. It is however doubtful whether in view of the suggestions* recently made by the Govt of India in future regard to the admn of the Agri Dept their services will ever have to be dispensed with C 15/6/97

These suggestions are being drafted upon they are intended to finally settle the agricultural policy to be pursued & pave the way for a vast amount of correspondence. It is hoped to have the draft ready in a week. But there does not appear to be any reason to delay this current in the meantime
