REVENUE DEPT

TO

HIS EXCELLENCY

GOVERNOR IN COUNCIL

FORT SAINT GEORGE,

MADRAS.

The humble memorial of Medai Dalavoy

Thirumalaiappa Mudaliar, Tinnevely

Cusba, Tinnevely District.

MAY IT PLEASE YOUR EXCELLENCY.

1. That the wet Ayacut lands to the extent of 14 acres and 34 cents under the irrigation of a tank named Servaikaranpattikulam in the village Kila Kadayam Ambasamudram Taluq, Tinnevely District, are solely in the possession of the memorialist.

2. That the said tank was without repairs for many years subject to breaches and so there was only dry cultivation, and inasmuch as the memorialist's knowledge is concerned from Fusly 1295 till the present date Rs 5-5 per annum at the rate of 6 annas per acre has been assessed and collected by the Government every year while the punja rate for the adjacent lands are collected at 4 Annas per acre.

3. That on several correspondences regarding assessment of the said land the memorialist came to be informed of the proceedings of the Revenue Board No. 3272 dated 25-6-95 that Rs 2 per acre of the said land should be received in conformity with rulings of the special rate; that Your Excellency's memorialist submitted that he was ready to abide by the said order and represented that it was just and equitable that only punja assessment should be imposed on and collected for the tank bed lands and ayakut lands in conformity with Standing Order No. $\frac{9}{1}$ issued by the Revenue Board Land Revenue settlement records and agriculture on 16-5-94.

4. That the Revenue Board was graciously pleased to pass a proceedings No. 5364 dated 10-10-95 that the said tank would be delivered to Your Excellency's memorialist on condition that he pays punja teerva Rupee one per acre for ayacut lands and Rupee one, annas eight (the highest punja rate in the village) per acre for the lands in the bed of the tank in consideration of the facts that the tank was without repairs from 1881-82, the bed of the tank was filled with mud till the high level of the surface, it would cost Rs 1000 for the repair of the said tank, and your Excellency's Memorialist is the sole landlord of Ayacut lands; that your Excellency's Memorialist was favored on 25-12-95 with the Tinnevely Tahsildar's endorsement dated 19-11-95 together with the copy of the said Proceedings of the Revenue Board.

5. That your Excellency's memorialist submitted a petition on 1-2-96 representing that the tank was without repairs for many years, before 1881-82 it would cost more than Rs 1500 for repairing the tank, and praying that the assessment be fixed at annas four per acre according to the rate prescribed for the adjacent punja lands in conformity with the provisions of the standing order.

6. That since your Excellency's memorialist was not favored with any order, he submitted an appeal petition to the Collector of Tinnevely praying for remission of nunja teerwa for fusli 1305; that your Excellency's memorialist came to know through the Proceedings of the Collector in the Appeal petition that a Proceedings of the Board No. 835 dated 18-2-96 has been issued; and that thereupon when your Excellency's memorialist submitted a petition to the Collector praying to be informed of what the said proceedings was he was favored with the Collector's Endorsement dated 6-2-97 together with the copy of the Proceedings of the Board No. 835.

7. That in the said Proceedings it was stated that the lands in the bed would be given in auction filling the tank with mud if the provisions of the Proceedings No. 5364 are not admitted.

8. That the said bed lands lie in the place where water irrigating the memorialist's Ayacut wet lands is, and that the above said action is detrimental to the interests of your Excellency's memorialist.

9. That, in case the Government undertakes to repair the said tank, your Excellency's humble memorialist is ready to raise wet cultivation and to pay nanja teerwa as usual.

10. That though it is not feasible to repair the said tank with Rs 1000 as mentioned in the said Proceedings No. 5364 your Excellency's humble memorialist begs to state that he has to pay Rs 60 being the interest on Rs 1000 at 6 per cent per annum and an assessment of Rs 24-6-0 in obedience to the order of the said Proceedings and thus he has to sustain a loss of Rs 21-10-0 per annum deducting from the above sum of Rs 84-6-0 Rs 62-12-0 being the assessment fixed for the said land itself; and further your Excellency's memorialist begs to submit that this land has no chance of being favored with remission that is allowed to other lands in case there is failure of crops.

11. That the punja assessment fixed for tank-bed lands and Ayakat lands should as specified in Standing Order No. 9 mentioned in para 3 be verified with the average rate of past 10 or 20 years. 911

12. That your Excellency's humble memorialist begs to bring to your Excellency's benign consideration that his estate was under the management of the Court of Wards, and it was handed over to his undivided brother after he attained his majority; that only Rs 5-5-0 being punja rate assessment at annas six per acre has been paid since fasli 1295 (the previous year in which the estate was handed over by the Court of Wards) up to date; that remission has been granted in nunja teerwa; and that 17 years assessment from 1881 and even before that to memorialist's information, has been remitted to your Excellency's Memorialist as mentioned in the said Proceedings No. 5364.

Your Excellency's humble memorialist most respectfully prays your Excellency in Council may be graciously pleased to order punja assessment of annas four per acre be fixed and collected for Ayakat lands and bed lands similar to the adjacent lands in pursuance of the average rate of 10 or 20 years in conformity

with Standing Order No. $\frac{9}{1}$

For which act of kindness your Excellency's humble memorialist shall ever pray.

The following records are submitted to Your Excellency's benign perusal.

1. Endorsement mentioned in para 4 of the memorial.
2. Endorsement mentioned in para 6 of the memorial.
3. The copy of the proceedings of the Board No 835.
