G.O. No. 3242 of 28th June 1897.

The papers do not furnish sufficient
 information to enable Govt in
 sanctioning the construction of a new
 Sublk office at Mannargudi. It is
 not enough to know that the present
 office is one of the old style and
 that accommodation provided is
 limited. Full explanation should
 be given as to how far the existing
 accommodation is insufficient whether
 the inconvenience is so great
 as to render a new office ab-
 solutely necessary. A statement
 should also be submitted showing
 to what places in the Tanjore
 District new Sublk offices have

been built or sanctioned
