Resolution

- Submitted for the orders of Government.
2. The tope Inam covered by Title Deed No.1415 of Kovvur village, Nellore Taluk, was originally granted free of assessment for the upkeep of a water pandal. It was subsequently confirmed at the Inam Settlement permanently so long as the trees should exist. The Inam Register also contained the following remark:—"The Tope is not now cultivated, and its fruit is left for the benefit of the Public. When it was formerly cultivated, it was subjected to assessment".
 3. It is now reported that the Tope has ceased to exist and that the land is under wet cultivation carried on with the aid of Sangam water. The Collector accordingly recommends that the Inam in question may be resumed and its assessment made over for the maintenance of a water pandal to the Nellore Taluk Board which has consented to accept the trust. The Board supports the Collector's recommendation.

MAY.

Charitable Tope Inam.

Sanctioning the resumption of a — in the Kovvur village, Nellore taluk, and the making over of the assessment thereon to the Nellore Taluk Board for the maintenance of a water-pandal.

GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

Read—the following Proceedings of the Board of Revenue (Land Revenue), dated 27th April 1897, Mis. No. 1523:—

Read—the following endorsement of the Collector of Nellore, No. 925-Ver., dated 23rd March 1897, on the following letter from M.R.Ry. P. SITA RAO PANTULU Garu, Deputy Collector of Nellore, to the Collector of Nellore, dated 20th February 1897, No. 724-H.:—

I have the honour to report the following for your orders.

2. Survey No. 410-B, measuring 2.60 acres assessed at Rs. 3-4-0 and covered by title-deed No. 1415 of Kovur, is a dharmadayam tope inam granted free for the upkeep of a water-pandal. The inam fair register contains the following remarks about this inam:—

“To be confirmed permanently so long as the trees exist. Tope is not cultivated and its fruit is left for the benefit of the public. When it was formerly cultivated, it was subjected to assessment.”

3. The tope has now ceased to exist and the land is under wet cultivation with the aid of Sangam project water. The inamdars, Poonoor Adepareddy and Chenchuramireddy, say that they utilize the produce of the land for water-pandal, but this is doubtful.

4. I have therefore the honour to suggest that the inam be made over to the Taluk Board, which maintains water-pandals every hot weather and which is willing to take up the inam.

5. A copy of the Taluk Board's resolution is enclosed.

Endorsement.

Submitted to the Board of Revenue (Land Revenue) with a copy of the Nellore Taluk Board Resolution, No. 143, dated 29th January 1897, for favour of sanction of the Deputy Collector's proposal.
