Resolution

With reference to para 5 of Board's Proceedings No.430 A, dated 18the November 1896 disposed of in the Public Department order communicated with Government Order No.677 Rev., dated 5th February 1897, the Board requested the Superintendents of Telegraphs in the three divisions of this Presidency, among other heads of departments, to favor it, on or before the 1st September in each year, with statements showing the Telegraph receipts of the next preceding official year for the districts comprised in their respective jurisdictions. In his letter read above the Superintendent of Telegraphs, Madras division, refers the Board to the Director General of Telegraphs for the information, on the ground, apparently, that ~~as~~ it relates to the working of the department in this Presidency & cannot therefore be furnished by the Divisional Superintendent under Para156 of Chapter L of the Government Telegraph Code of Regulations. The Board is not sure that the figures showing Telegraph receipts can be said to come within "information respecting the working of the Telegraph department" but as the Divisional Superintendent, Madras, has referred it to the Director General of Telegraphs and as the other Divisional Superintendents are likely to send similar replies, it requests that the Director General

may be addressed on the subject in view to the information being furnished either by him or by the Divisional Superintendent in time for inclusion in the "Gross Earnings" to be shown in statistical Return I C for the past year & for future years.
