MADRAS.

Read—the following Proceedings of the Board No. 1548, dated 28th April 1897:—
Read—the following letter from R. H. CAMPBELL, Esq., Acting Collector and District Magistrate, North Arcot, to the Secretary to the Commissioners of Land Revenue, dated Chittoor, 29th June 1896, Ref. on Cur. No. 3120-Ver.:—

I have the honour to report that in the village taluk there is a public charitable tope inam, Survey No. of Chandragiri of Chandragiri (assessed at Rs. 2-12-0) according to survey and cover 616, measuring 1-98 acres. The tope in question, at present, contains some mango and by title-deed No. 2838. The trees of the tope are said to have been cut and removed by the managers without orders and without planting new ones in their stead. The tope has been very much neglected and is of no use at all to travellers and the public. Notices were served on the inamdars concerned to replant the topes with new trees in the places of old ones cut and removed, but to no purpose.

2. The Ránipét Taluk Board is willing to take up the tope under its management, and to spend the income derivable therefrom on its improvement. A copy of the taluk board's resolution is herewith sent. I therefore recommend that the Taluk Board's proposal may be accepted and the tope transferred to its management.

Reference on the above dated 18th July 1896.

Requesting the Collector of North Arcot to call upon the Ránipét Taluk Board to specify the charitable purpose on which the assessment payable on the tope inam land after it is resumed will be spent.

With reference to the Board's Reference on General No. 3589 of 1896, dated 18th July 1896, I have the honour to state that the Ránipét Taluk Board propose to utilize the full assessment of the tope inam land for supplying drinking water to pilgrims during the Brahmotsavam.
