To the Govt of India PWD

Sir

In continuation of my telegram of the 25th instant regarding the Spl Dy Collector Kurnool-Cuddapah canal I am directed to forward the accompanying noted proceedings of this Govt embodying a report from the Board of Revenue as to whether it will be necessary to retain this officer's services beyond March next. It is difficult now to foretell the effect of the present drought in quickening the demand for canal water for cultivation, and if the drought should be prolonged there will be ample and useful work for a Spl officer next year. Further the famine is likely to leave an abundance of arrear work which will render it difficult for the ordinary district staff to devote full attention to the affairs of the canal. In these circumstances this Govt hesitates to give an assurance that the services of the Spl officer will not be required beyond March next.

I have the honour to be
Sir
Your most obedient servant

REVENUE BOARD OFFICE MADRAS

Proceedings of the Board of Revenue

(Revenue Settlement, Land Records and Agriculture.)

Dated 19th June 1897.

No. 4508 Mis:

READ Proceedings of Government, Rev: Dept: dated 10th May 1897 No: 2356 Mis: Rev:

Resolution.

With reference to G.O.No: 2356 Mis: Rev: dated 10-5-97 the Board begs to state that in its opinion no assurance can, or should, be given that the service of the Special Dy: Collector, Kurnool-Cuddapah canal, will not be required after March 15th 1898.

2. The canal is at present closed for repairs, and it is difficult now to foretell what the effect of the present drought will be in quickening the hitherto sluggish demand for the canal water during the cultivation season just beginning. It appears quite possible that if the drought is prolonged it may operate to determine many ryots hereafter to engage, in wet cultivation, and that there may thus continue to be ample and useful work for a special officer next year. The famine is also likely to leave an abundance of arrear work, which the ordinary district staff will have enough to do to clear off without being saddled with the heavy extra work which the charge of the canal would entail.
