Proceedings of the Board of Revenue  
(Revenue Settlement, Land Records and Agriculture).

Dated 23<sup>rd</sup> June 1897

No. 4529 m.

READ The following letter from the Collector of Ganjam dated 11<sup>th</sup> June 1897 No. 227.

I have the honor to request instructions as to whether under Section 125 Clause 3, of the Famine Code a milk ration may be provided for babies whose mothers are in receipt of gratuitous relief by means of grain doles.

2. Section 125 Famine Code seems to apply only to persons in receipt of relief at kitchens and poor houses. I have, however, lately come across several pitiable specimens of famine babies whose mothers cannot be induced to attend kitchens; I am in consequence

unable to place them on special diet.

3. I would ask that in such cases any officer not below the rank of a deputy Tahsildar may be permitted to arrange for a daily supply of milk through the head of the village concerned.

### Resolution

The Collector's suggestion in para 3 is approved.
