Miscellaneous.

Resolution.

With reference to the G.O. read
above the Board submits that the
question of the necessity for a Deputy
Collector for the charge of the Mangalore
Taluk was fully discussed in the papers
read in G.O. 16 Revenue. In that
order Government referred to G.O.
283 Revenue, in which it was observed
21-4-88

that all collectors should be relieved

of

of the direct charge of taluks or
sub divisions, so as to enable them
to devote themselves to administrative
work and to move freely in their
districts for purposes of super-
-vision and announced its intention
of posting an assistant to the
district for which a deputy
collector had not been provided
in the sanctioned scale. The
Board of opinion that this
decision is sound and should as
far as possible be adhered to. At
the same time it considers that the
conditions of the South Canara
district are such that during
any temporary emergency the
collector ought to be able to arrange
for the work of the Mangalore Taluk
by distributing it between himself
and

and the General Duty Deputy Collector.
The collector appears to have overrated the
difficulty of putting the taluk in
charge of the Puttur Deputy Collector.
This officer might for the time being
be allowed to make Mangalore his
head quarters, that town being as
conveniently situated as Puttur for
the more thickly populated portions
of the Kasaragod Taluk. The work of
the Uppimangadi taluk is inconsiderable
and the District Magistrate might
relieve the Deputy Collector of some
of the appellate work. The treasury
work in the district is light and the
Treasury Deputy Collector might be
empowered to take up first class
magisterial cases when the sub di-
-visional Magistrate is on tour and
also to dispose of magisterial cases
arising in the Mangalore Taluk and
referred to him by the District
Magistrate.
