REVENUE BOARD OFFICE. MADRAS.

Proceedings of the Board of Revenue.

(Land Revenue).

No. 93 Misc., dated 9th January 1897.

Read Government Order, Revenue Department, No. 681, dated 1st December 1896.

Resolution

Recorded

2. With reference to para 4 of the Government Order, the Board submits that of the four hands composing the Temporary Chank Fishery establishment, only the peon and watcher who are paid Rs.7 & Rs.5 per mensem respectively are entertained throughout the whole or nearly the whole of the fishing season, which lasts for eight months (October to May), and that the Gumasta & Counter are not employed unless & until their services are considered indispensable. In fact, during the past three ~~months~~ years, the gumasta & counter were either not entertained at all or were employed only for portions of a single month. The provision of Rs.116 made in the Board's budget estimate thus represents, not the pay of the entire establishment for 4 months as surmised by Government, but the salary of the peon and watcher for the entire fishing season (8 months) & of the gumasta & counter for a little over one month.
