Note. The Collector of Cuddapah reports that the two village servants — one Taliari and one villiam — sanctioned for the village of Muddanur in the Sammalamadugu taluk are ordinarily insufficient for the work, the village being on the line of the Madras Railway all officers bound for Sammalamadugu, Pulivendla and Hadisi halt there, and that it is not possible for those servants to do the

the additional work caused by
the opening of a relief work in the
village and therefore applies for
the employment of two temporary
labourers till the present distress
is over. The Board supports the
Collector's proposal.
