Resolution

Communicated to the
Chief Engineer for Irrigation
with the request that he will be
good enough to inform the
Board when the report called
for by Government may be
expected. In his letter No. 408
dated 19th September last, the
Chief Engineer stated that
the report was delayed for want

In P.P. No. 4899.

want of certain particulars —
called for from the Superintend-
ing Engineer and that that
officer had reported that the
necessary particulars were all
ready with the exception of
certain information regarding
estimated traffic on the canal
which had been called for
from the collector. This in-
formation, it is observed, was
furnished by the collector
to the Superintending Engineer
in June 1896. Vide collector's
letter disposed of in Board's
proceedings dated 5th November
1896. No. 5476.
