Resolution

Submitted for the information of Government with the remark that from a Special telegram received from the Collector, it appears that the bulk of the relief workers in Koilkuntla are low caste Christians and low caste Cultivators and it appear why

should be explained.

2. It should also be noted that fines amounting to more than one-eighth of a C-class wage reduce the relief-workers' wage below the minimum, and a fine of three-tenths to the value of 56 tolas of grain only.
