This inquiry has been
made. If the cost of
a gardener can possibly
be spared he ought not
to be sanctioned.

It is thought that, ^{under} the present
circumstances, the entertainment

sanctioned. Luxuries such as this
might well be deferred for better
days.

Note for the Secy

This paper has not
been marked for the Hon. Mr. Polio
with reference to his recent
instructions.

Note. It appears that some
mango plants were planted by the
Public works Dept in the compound
of the new Tahsil office before the
building was handed over to the
Revenue Department and that
they are still being watered by that
Dept. As the Executive Engineer
desires that the plants should be
taken charge of and maintained by
the

the Revenue Department, the
Collector proposes to employ a
gardener ^{for three years} for watering the existing
mango plants and for planting
some ~~more~~ quick growing ^{shade} trees
to give full work to the gardener.

2. The charge for the current year
is proposed to be met from general
Savings under 3 Land Revenue
charges of D. Administration -
Temporary establishment.

(A.
9 June 97) This gardener will have
very much to do.
