the following letter from the
Collector of Godavari, dated 8th June

1897, Dis. no. $\frac{880}{acc}$ of 1897.

I have the honor to report for the
information of the Board that large
quantities of food-stock are being taken
of late out of this district on
country carts to the Vizagapatam
District. With a view to ascertain
their quantities and include them
if

if necessary, with the previous Sanction
of the Board, in the weekly telegrams
of Trade Statistics, I have directed
the Deputy Tahsildar, Junn Division,
to register with the aid of his peons etc.
the number of carts and the nature and
quantity of the food grains carried
thereon on any one day via Junn which
is the gate to the Vizagapatam District.
The latter reported as the result of the
registration between 1 a.m. and 12 midnight
on the 23rd ultimo that 214 Carts had
passed to the Vizagapatam District
loaded with 1179 bags or 2350 Indian
maunds of paddy and 78 bags or 155
maunds

maunds of rice. Though these
quantities are considerable enough
to warrant a regular registration of
road traffic at Junn I do not think
it necessary now to register them as
it will fall off very greatly, directly
the monsoon sets in. From the rain-
fall in all parts of the District during
the last month I am inclined to think
that the rains are already upon us.

Further the carts now coming here from
the Vizagapatam District were brought
by the owners as they had no agricul-
tural work to keep them and their bullocks
active
