Note

In view of the proposed application made by the Board for an additional allotment of Rs 67,000 in its Proc under G.O. No. 3103 dy 18th June 1897 (flagged H) it is not clear how the Board could not now have sent on the Coimbatore Conservator's letter and thereby tacitly maintain that there would be savings in the sanctioned allotment. Orders are solicited as to whether any further information on the point should be called for before sending a reply to the Govt of India
