APRIL.

Submitting to Government, for approval and publication in the *Fort St George Gazette*, draft notification under section 16 of the Forest Act for the constitution of the Darvemula block, in the Palnad taluk, Kistna district, as a reserved forest.

PROCEEDINGS OF THE BOARD OF REVENUE
(LAND REVENUE).

READ—the following letter from E. A. SMITH, Esq., Special Deputy Collector on Forest Settlement Duty, Nellore, &c., Districts, to the Collector of Kistna, through the District Forest-officer, Kistna, Masulipatam, dated Bezwada, 17th October 1896, Ref. No. 94-A. S.:—

I have the honour to report the conclusion of the settlement of the proposed Darvemula reserve in the Palnad taluk of your district.

2. The initial notification proposing to constitute this area into a reserved forest appeared in the *Fort St. George Gazette*, dated 28th February 1893, and the proclamation under section 6 of the Madras Forest Act was published in the District Gazette of 1st July 1893. The time allowed for the presentation of claims expired on the 1st October 1893.

3. Mr. J. T. Lever was originally appointed to settle this block, and afterwards Mr. R. H. L. Lushington; and by notification published at page 1241 of the *Fort St. George Gazette*, dated 5th November 1895, I was appointed the Settlement-officer.

4. The reserve was notified, perambulated and enquired into by Mr. J. T. Lever, and 26 claims were preferred for the following rights:—

(i) Fifteen claims to Government fields;
(ii) Nine claims to certain rights of way;
(iii) Two claims to the use of water of a kunta and of a vagu.

Of the fifteen claims to Government patta fields, thirteen claims were admitted and two claims were rejected, as the fields lie outside the reserve boundary; of the thirteen claims admitted, the fields in twelve cases were excluded by alteration of the reserve, while the fields in the remaining one case were acquired on payment of money compensation. Of the nine claims to certain rights of way, three claims were admitted and the remaining claims were rejected as unnecessary. The two claims to the use of the water of a kunta and a vagu were rejected.

5. The reserve is thus free of all rights except those stated above.

6. The area of this reserve, in consequence of the exclusion of certain patta fields, falls below 1 square mile, but the District Forest-officer proposes to add an extension of about 500 acres to this (*vide* his letter No. 94, dated 22nd October 1895).

7. The following are submitted herewith:—

(i) A signed copy of B register of claims;
(ii) A draft notification under section 16;
(iii) The sketch-map of the reserves.

8. The date from which reservation is to take effect has to be inserted in the draft notification.

The District Forest-officer objects to the claim as the kunta is on Government land. The District Forest-officer objects as he says it is perfectly easy to skirt along the reserve line and Government waste until the cart-track from Duggi to the betel garden is reached.	The path claimed is ancient and necessary. It would be a hardship to require the people to adopt the more circutous route suggested by the District Forest-officer, the path claimed is therefore admitted as a public right of way for men and cattle to a width of two yards. (Signed) E. A. SMITH, Forest Sett.-officer. 3rd December 1895.

Reserved Forest.

The draft notification, under section 16 of the Forest Act, for the constitution of the Darvemula block, in the Palnad taluk, as a —, ordered to be published in the Fort St. George and the Kistna District Gazettes.

GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

Read—the following Proceedings of the Board of Revenue (Land Revenue), Forest No. 147, dated 6th April 1897:—

Read—the following letter from E. A. SMITH, Esq., Special Deputy Collector on Forest Settlement Duty, Nellore, &c., Districts, to the Collector of Kistna, through the District Forest-officer, Kistna, Masulipatam, dated Bezwada, 17th October 1896, Ref. No. 94-A. S.:—

I have the honour to report the conclusion of the settlement of the proposed Darvemula reserve in the Palnad taluk of your district.

2. The initial notification proposing to constitute this area into a reserved forest appeared in the *Fort St. George Gazette*, dated 28th February 1893, and the proclamation under section 6 of the Madras Forest Act was published in the District Gazette of 1st July 1893. The time allowed for the presentation of claims expired on the 1st October 1893.

3. Mr. J. T. Lever was originally appointed to settle this block, and afterwards Mr. R. H. L. Lushington; and by notification published at page 1241 of the *Fort St. George Gazette*, dated 5th November 1895, I was appointed the Settlement-officer.

4. The reserve was notified, perambulated and enquired into by Mr. J. T. Lever, and 26 claims were preferred for the following rights:—

(i) Fifteen claims to Government fields;
(ii) Nine claims to certain rights of way;
(iii) Two claims to the use of water of a kunta and of a vagu.

Of the fifteen claims to Government patta fields, thirteen claims were admitted and two claims were rejected, as the fields lie outside the reserve boundary; of the thirteen claims admitted, the fields in twelve cases were excluded by alteration of the reserve, while the fields in the remaining one case were acquired on payment of money compensation. Of the nine claims to certain rights of way, three claims were admitted and the remaining claims were rejected as unnecessary. The two claims to the use of the water of a kunta and a vagu were rejected.

5. The reserve is thus free of all rights except those stated above.

6. The area of this reserve, in consequence of the exclusion of certain patta fields, falls below 1 square mile, but the District Forest-officer proposes to add an extension of about 500 acres to this (*vide* his letter No. 94, dated 22nd October 1895).

7. The following are submitted herewith:—

(i) A signed copy of B register of claims;
(ii) A draft notification under section 16;
(iii) The sketch-map of the reserves.

8. The date from which reservation is to take effect has to be inserted in the draft notification.

The District Forest-officer objects to the claim as the kunta is on Government land. The kurnam and one witness examined say the path has been in use for a long time. This enters the reserve about 18 chains west north-west of the north-west corner of survey No. 452 of Duggi and running in a north-easterly direction for about 11 chains, leaves the reserve about 17 chains north-west of the same corner.	The District Forest-officer objects as he says it is perfectly easy to skirt along the reserve line and Government waste until the cart-track from Duggi to the betel garden is reached.	The path claimed is ancient and necessary. It would be a hardship to require the people to adopt the more circutous route suggested by the District Forest-officer, the path claimed is therefore admitted as a public right of way for men and cattle to a width of two yards. (Signed) E. A. SMITH, Forest Sett.-officer. 3rd December 1895.
