GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following Proceedings of the Board of Revenue (Land Revenue), Forest Mis. No. 1640, dated 18th December 1896 :—

Read—the following letter from E. D. M. HOOPER, Esq., Acting Conservator of Forests, Southern Circle, to the Secretary to the Commissioners of Land Revenue, dated Coimbatore, 16th December 1896, Ref. on Cur. No. 1260 :—

Regarding the disposal of elephants, in accordance with the orders contained in Proceedings, Forest Mis. No. 1371, dated 10th October 1896, communicating Government order on the subject, I have the honour to say that I am arranging for the sale of the animals under 5 feet 6 inches. As regards the others those not required for timber works are being registered in a printed list with their height and character recorded. This I propose to circulate to the Agents to the Governor, the Inspector-General of Police, and the other Conservators and District Forest-officers of this circle who will intimate the choice they make, and I propose, unless unforeseen circumstances occur, to dispose of the others by auction.

2. I would add that the catching operations should, I think, pay themselves for all the captures, small and great, are saleable. It will therefore pay us to capture all-sized animals retaining only the docile half-grown ones for our requirements. I would solicit the approval of the Board and Government for the adoption of this plan of dealing with our present stock which, individually being in most cases under Rs. 2,000 in value, can be disposed of by permission of the Board under the code.

Resolution—Forest Mis. No. 1640, dated 18th December 1896.

Submitted to Government, with reference to its order No. 499, Revenue, dated 29th September 1896.

2. The Board approves of the Conservator's proposals.
