No. 1507, dated 6. 7. 97

From.

J. C. Johnston Esqr.  
Executive Engineer  
Kurnool Division

To.

The Collector of  
Kurnool.

Sir,

With reference to your No. 111 of 2. 6. 97 on Board's Proceedings No. 380 of 18. 5. 97, I have the honor to report that the subordinate detailed for starting the Dhikala bank had to be sent to the Nagalur bank, because the one who should have gone to Nagalur arrived very late and left very soon afterwards without giving notice. It was very difficult to obtain sufficient subordinates at the time and though the delay was very regrettable still under the circumstances explained by my predecessor, I do not see it was altogether

altogether his fault if sufficient  
subordinates could not be obtained.

Proceedings of the Board of Revenue  
(Revenue Settlement, Land Records and Agriculture),

Dated 5 July 1897.

No. 4918. Mis.

READ the following letter from the Collector  
of Karaikal dated 25 June 1897  
Dis no.  $\frac{186}{7}$  of 1897.

With reference to para 6 of  
Board's Proceedings No 380 of 1897,  
I have the honor to submit herewith  
the explanation offered  
by the Executive Engineer for the  
delay in taking over the work  
at Idikala.

2. I do not know to what  
particular explanation of his  
predecessor the Executive  
Engineer alludes, but it is  
apparently to a general one  
that steps to secure the services  
of a sufficient number of sub-  
ordinates.

-ordinates

-ordinates had been taken, though  
in vain.

3. I may mention that the  
late Executive Engineer was informed  
by wire on 21.3.97 that the  
Board had ordered the opening  
of a work near Nihala which  
would be started, and remain,  
under the superintendence of the  
Revenue Department till taken  
over by the Public Works Depart-  
ment and that the Head Assi-  
stant Collector was relieved  
of his responsibility in connection  
therewith on 12.5.97.
