BOARD OF REVENUE (REV. SETT., L. RDS. AND AGRI.), 11TH JAN. 1897, No. 21.

PROCEEDINGS OF THE BOARD OF REVENUE (REVENUE SETTLEMENT, LAND RECORDS AND AGRICULTURE).

READ—Proceedings of the Board of Revenue (Revenue Settlement, Land Records and Agriculture), dated 6th January 1897, Mis. No. 124.

ABSTRACT.—Requesting sanction of Government for the appointment of four Revenue Inspectors for three months in view to the prompt disposal of the pending applications under the Loans Acts.

READ—the following letter from R. H. CAMPBELL, Esq., Collector of Bellary, to the Secretary to the Commissioner of Revenue Settlement and Director of the Department of Land Records and Agriculture, dated 5th January 1897, Ref. on C. No. 2999 and 3000 :—

I have the honour to report that I have sanctioned the entertainment of an additional Revenue Inspector on Rs. 40 in the Hadagalli taluk in anticipation of Board's approval from the 9th November last. On the recommendation of Mr. Lloyd, the then Head Assistant Collector, that the appointment was "eminently necessary especially with the increased Takkavi work in view." The number of loan applications pending in the taluk at the end of November was 144 and has since risen to 222 involving an amount of Rs. 32,885. Most of the applications were received during the latter part of November and the early part of December. I therefore request that the Board will be pleased to approve of my action and sanction the retention of the Revenue Inspector till the end of March next.

2. On the recommendation of the Divisional Officer, Adóni, I have sanctioned the entertainment of a peon on Rs. 6 for the additional Revenue Inspector sanctioned in G.O., Mis. No. 3293, dated 22nd December 1896 (Board's Proceedings, No. 6852, dated 27th December 1896). I enclose copy of his reference on F.C. No. 87, dated 22nd November 1896, and request that my action may be approved. The peon's appointment will cease along with that of the Revenue Inspector.

3. A proposition statement for the two appointments will be shortly submitted.

ENCLOSURE.

From the Tahsildar of Alúr, to the Deputy Collector of Adóni, dated 20th November 1896, Ref. on C. No. 3667.

In your reference on C. No. 2455, dated 8th November 1896, sanction was accorded for entertaining a special Revenue Inspector for Takkavi work. A peon is required to attend upon him. In the time of the present distress it is not possible to spare the services of peons on the permanent establishment without considerable detriment to the speedy despatch of work. The peons have to constantly move with me and the ordinary Revenue Inspector and their services are also required to go to villages very often for bringing information, &c., in connection with the distress. I find it necessary that a special peon should be appointed to work under the special Revenue Inspector. I beg to request that you will be pleased to obtain the sanction of the Collector for the entertainment of a peon on Rs. 6 per mensem plus the travelling allowances admissible under the code.

2. I also beg to request that sanction may be obtained for the peons required for the two additional Revenue Inspectors proposed in my arzi No. 3667, dated 19th November 1896.

Reference on F.C. No. 87, dated 22nd November 1896.

Submitted to the Collector of Bellary with the recommendation that the Tahsildar's proposal may be sanctioned.

(Signed) S. RAMU IYER,
Deputy Collector.

READ—the following telegram from the Secretary to the Commissioner of Revenue Settlement and Director of the Department of Land Records and Agriculture, to the Collector of Bellary, dated 3rd January 1897:—

Loan applications Bellary, Adóni and Hadagalli taluks numerous. Is extra assistance required for prompt disposal.

READ—the following letter from R. H. CAMPBELL, Esq., Collector of Bellary, to the Secretary to the Commissioner of Revenue Settlement and Director of the Department of Land Records and Agriculture, dated 5th January 1897, Ref. on C. No. 3000 and 3441:—

In continuation of my Ref. on C. No. 3441, dated the 28th ultimo, and with

Taluks.	Ordinary rules.	Special well rules.	Agricultural loans.	Total.
Bellary	455	34	98	587
Adóni	26	131	2	159
Total	481	165	100	746

reference to Board's telegram of the 3rd instant, I have the honour to report that 746 applications for loans under the Land Improvement and Agriculturists' Loans Acts were pending in the taluks of Bellary and Adóni as shown on the margin up to the last week of December. For prompt disposal of these applications the Divisional Officers concerned recommend

the entertainment of additional Revenue Inspectors for the taluks, and I support their recommendation as in a season of distress it is absolutely necessary that the applications should be dealt with with the least practicable delay and the ordinary establishment cannot cope with the work. The quantity of work to be done varies in the two taluks, and taking into consideration the number of applications pending, the services of the following additional Revenue Inspectors for the loans work will be required for the periods specified below:—

Bellary taluk—Two Revenue Inspectors on Rs. 40 ...	Period.
Adóni „ —One Revenue Inspector on „ 40 ...	For 3 months.
	For 3 „

Looking to the number of applications pending in Adóni taluk (159) the services of a Revenue Inspector for three months will not probably be required, but the Divisional Officer, Adóni, reports that more applications will be coming in when people know that there is a chance of their applications being promptly attended to. I am authorizing the Divisional Officers to entertain at once the extra Revenue Inspectors in anticipation of the sanction of Board and Government, as there is a large allotment of about Rs. 53,000 under the Loans Acts to be spent, and request that my action may be approved.

2. The Divisional Officer, Adóni, recommends that a peon on Rs. 6 for each of the additional Revenue Inspectors may be sanctioned as none can be spared from the regular establishment, owing to the severity of distress and consequent increased demand on the services of the taluk peons. I agree with him and recommend that sanction may be accorded for the entertainment of an additional peon on Rs. 6 for each of the Revenue Inspectors sanctioned for the loans work.

3. A proposition statement in the revised form in duplicate for the establishments above proposed will follow.

4. A separate letter regarding extra staff for Hadagalli taluk is submitted.

RESOLUTION—dated 11th January 1897, No. 21.

Submitted to Government in continuation of Board's Proceedings, Mis. No. 124 of 1897. The figures quoted in that Proceedings were extracted from the Collector's fortnightly narrative.

2. It now appears that the Collector has already appointed a Revenue Inspector in Hadagalli with effect from 9th November 1896, and he requests permission to retain this officer till the end of March next. In the Bellary and Adóni taluks, the Collector has authorized the Divisional Officers to entertain the Inspectors asked for at once. His conduct in both cases may be approved.

3. The Collector also applies for sanction for a peon for each of the Revenue Inspectors, as well as for the additional Inspector appointed in Alúr (G.O., Mis. No. 5293, dated 22nd December 1896). The Board considers that these should be allowed.
